Subject: Maryland Public Information Act Request: Mayor Emails
To Whom It May Concern:

Pursuant to the Maryland Public Information Act, I hereby request the following records:

I would like to obtain all emails sent to, from, or copied to Mayor Jack Young from January 1, 2019 to June 1, 2019 containing any of the following non-case-sensitive key-strings:

"EB-5" or "Whistleblower"

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 calendar days, as the statute requires.

Sincerely,

Taylor Amarel Scott

----- This is a follow up to a previous request: -----

I would like to appeal this determination.

Nowadays almost any person can use the search function in their email client. Furthermore, a Google search for 'how to search my emails' reveals numerous how to tutorials that anybody could follow. It is not necessary to hire an IT expert because most individuals in the Baltimore Mayor's Office know how to use email search and regularly use email search in their daily routines.

To help facilitate the processing of this request, you may limit the scope even further to January 1, 2019 to April 1, 2019
